Picky Eaters

Picky Managers

The Procurement Paradox

The Requirement:
Strict Compliance

The Reality:
Student Rejection

The Opportunity: Procurement managers are trapped. They face a hard deadline to remove ultra-processed foods, but if students reject the healthy options, the budget is wasted. **We fill the gap between Compliance and Consumption.**

BOUNTÍFOODS

The Disconnect: Great Product, Invisible Brand

Internal Identity

- Scientific Gastronomy
- Intelligent Nourishment System
- Feeds and Speeds

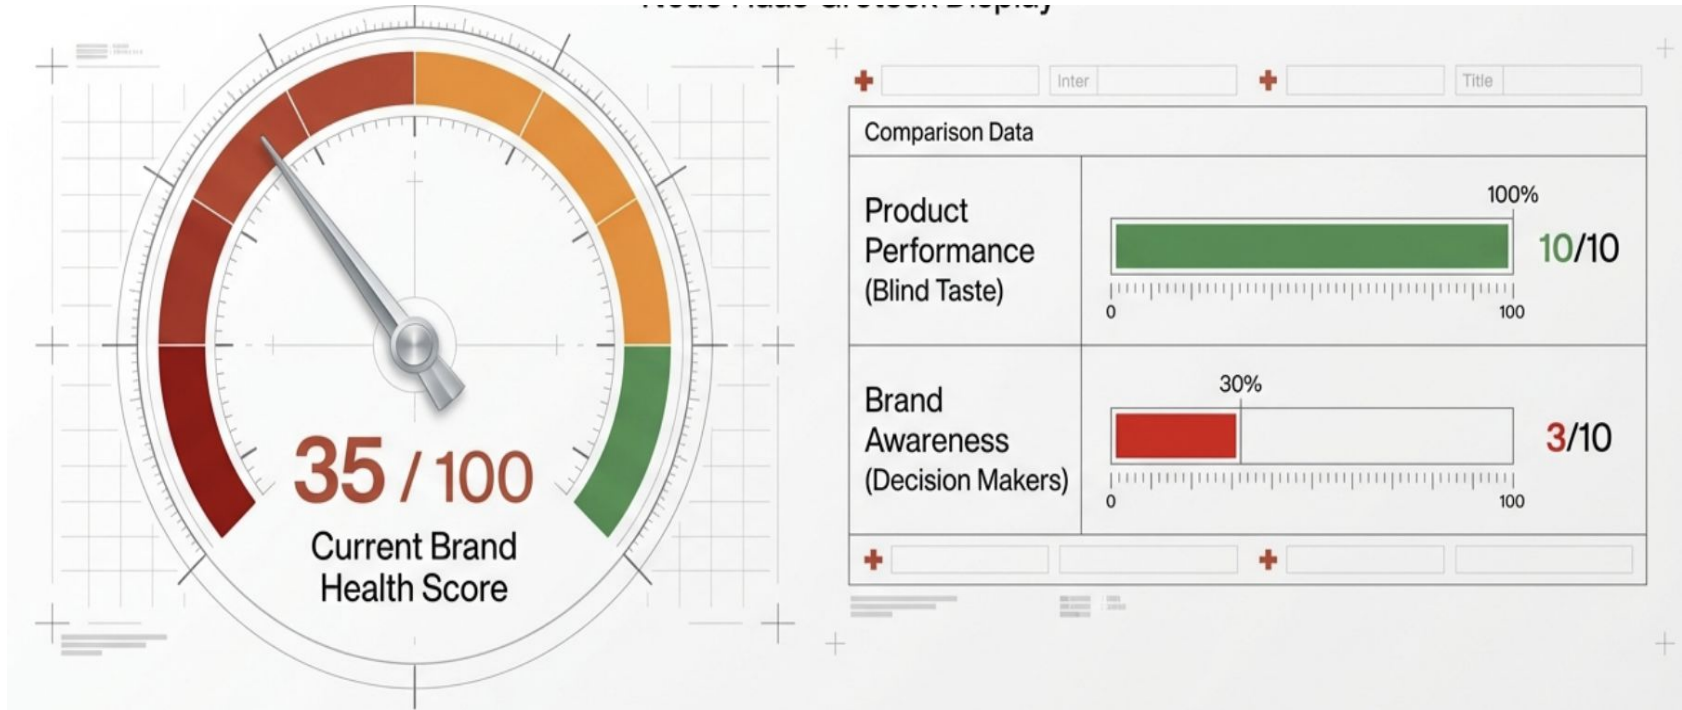

External Perception

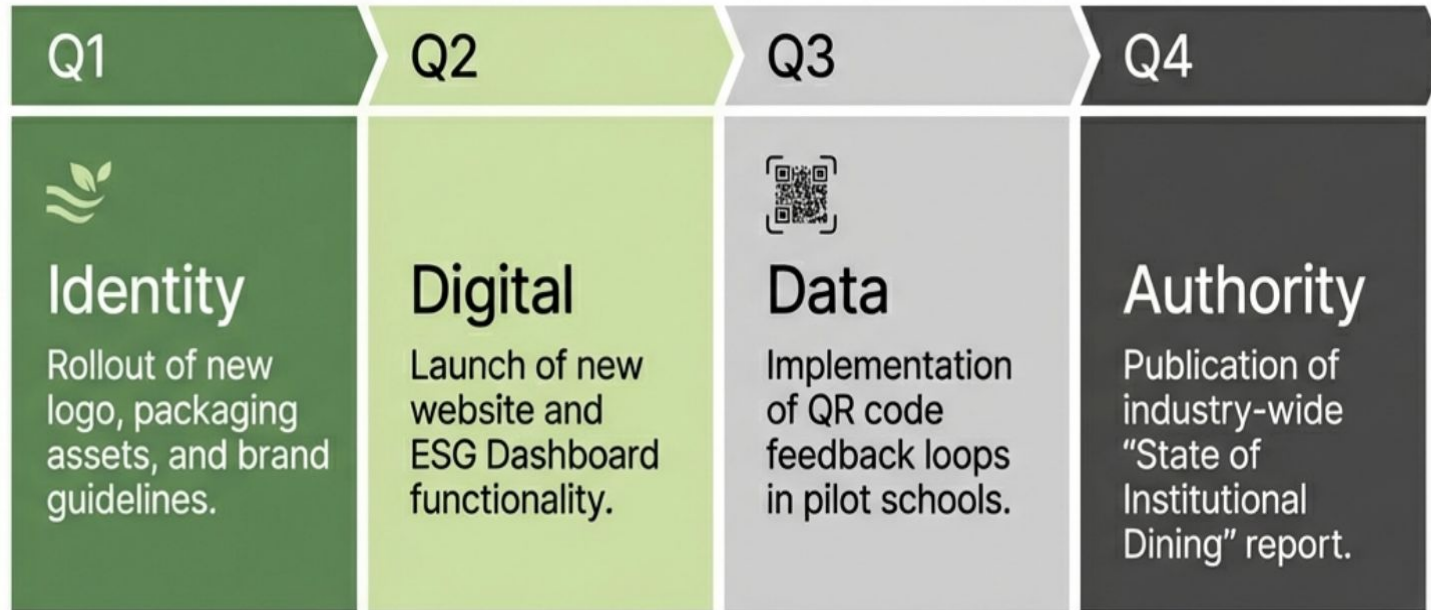

- Generic Vegan Option
- Transactional Vendor
- Just another nugget

The Brand Inventory Gap

The Plan: Path from 35/100 to 100/100

Objective:
Top-of-mind
authority for
Bay Area
institutions.
